Top Skills

Structural Analysis
Design of RCC structures
Quantity Take-offs

Certifications

Student member at Institution of Civil
Engineers (ICE)
SYNCHRO 4D Data Visualisation
and Progress Tracking [Intermediate]
Smart Cities
Geospatial Data Analysis using
Remote Sensing and GIS
IBM

Er. shiva B

Civil Engineer | BIM engineer
Greater Hyderabad Area

Summary

As a freelance BIM Engineer, I specialize in Autodesk Revit to enhance architectural and structural plans through 3D visualizations and BIM-based documentation. Currently pursuing a Bachelor of Technology in Civil Engineering at LPU, I aim to combine critical thinking and analytical skills to drive impactful and sustainable solutions in the civil engineering domain. At Lovely Professional University's Department of Quality Assurance, I contributed to design, drafting, and quantity takeoff verification, supporting quality assurance processes within a dynamic academic setting. My role emphasized technical drafting and project collaboration, aligning with my commitment to advancing civil engineering practices.

Experience

Free Lancing

BIM Engineer

June 2025 - Present (1 year 5 months)

- Developed and drafted architectural and structural plans using Autodesk Revit, enhancing project accuracy.
- Generated 3D visualizations and realistic renders for client presentations, improving stakeholder engagement.
- Prepared BIM-based drawings, schedules, and documentation, streamlining project delivery processes.

INDIAN WATER RESOURCES SOCIETY

Executive Assistant

April 2025 - Present (1 year 7 months)

Lovely Professional University

"Excited to begin my journey as an Executive Member of the Indian Water Resources Society (IWRS). Looking forward to contributing to sustainable water management, collaborating with experts, and gaining deeper insights into India's water resource challenges and solutions."

LPU School of Civil Engineering
Coordinator of academic advisory committee
March 2025 - Present (1 year 8 months)
Lovely Professional University

- Coordinated the academic advisory committee at LPU School of Civil Engineering, leveraging my background in academia and industry.
- Anticipated trends and advancements in civil engineering to enhance learning experiences.
- Strived for excellence in all initiatives, fostering a culture of continuous improvement.

Department of Quality Assurance at Lovely Professional University
Assistant/Junior Engineer
February 2026 - June 2026 (5 months)
Phagwara

- Collaborated on the design, drafting, and verification of quantity takeoff for various projects.
- Assisted in ensuring quality assurance processes were adhered to within the Department of Quality Assurance.
- Developed skills in project management and technical drafting while working in a dynamic academic environment.

Gravity
Member at fine arts department
April 2025 - April 2026 (1 year 1 month)
Jalandhar

Learning managing and co ordination at a greater level with gravity and putting my creativity in action at every conduct with other departments within the club.

Canter CADD Indiapvt.limtd
Engineer Intern
June 2025 - July 2025 (2 months)

- Completed a one-month professional training in CADD with a focus on structural analysis and project management.
- Gained hands-on experience in project planning, scheduling, and resource management techniques.
- Developed skills applicable to civil engineering projects, enhancing my technical proficiency in the field.

Young Designers

Site Engineer

December 2024 - May 2025 (6 months)

- Supervised site execution activities, ensuring adherence to safety standards and quality specifications.
- Coordinated with contractors and teams for effective material management and project progress monitoring.
- Assisted in structural works and quantity estimation, facilitating on-site problem-solving for seamless project execution.

Education

Lovely Professional University (LPU)

Bachelor of Technology, Civil Engineering · (2024 - 2027)

GOVERNMENT POLYTECHNIC, HYDERABAD

Diploma in civil engineering , Civil Engineering · (September 2021 - April 2024)
